Professional Summary

I am a dedicated **MERN Stack Developer** and third-year Computer Science student with hands-on experience in **MongoDB**, **Express.js**, **React.js**, and **Node.js**. I focus on building responsive, efficient, and user-friendly web applications. As a fresher, I am eager to apply my technical skills to real-world projects and continuously learn modern web development practices.

Projects

1. AI Website Builder :

- **AI-Driven SaaS:** Built a MERN platform using **Gemini-3-Flash** API to generate responsive frontends from text prompts.
- **Smart Editor:** Engineered a chat-based system for real-time code updates, layout tweaks, and theme switching.
- **Live Preview & Sync:** Features Mobile and Laptop preview, professional scrollbars, and MongoDB/Multer for project versioning.

2. Movie Ticket System:

- **Full-Stack Booking:** Developed a MERN Stack Website for movie booking, parking reservations, and snack pre-ordering.
- **Real-time Logic:** Built seat-availability logic via RESTful APIs to prevent double bookings and ensure data consistency.
- **UX Focused:** Designed a responsive interface for seamless usability across desktop and mobile devices.

3. Student Attendance System:

- **Attendance Portal:** Built a **MERN** application for digital attendance tracking with permanent data storage.
- **Role-Based Access:** Implemented **Admin/Staff roles** with secure authentication for managing student records and history.
- **Reporting:** Focused on data accuracy and smooth performance for long-term reporting and analysis.

Technical Skills

- **Frontend:** React.js, HTML5, CSS3, JavaScript (ES6+), Bootstrap
- **Backend:** Node.js, Express.js
- **Database:** Mongo DB, Mongoose
- **Version Control:** Git, GitHub
- **Tools & Technologies:** VS Code, Postman, RESTful APIs, JSON
- **Other Skills:** Responsive Web Design, Problem Solving, Debugging, API Integration, UI/UX Understanding
- **Programming Languages:** JavaScript (Advanced), Python (Basic)

Soft Skills

- Teamwork
- Communication
- Time Management
- Adaptability
